Scramble Format

There will be four head of livestock in the arena per team, riders will start un-mounted with horses in the pen. Time starts as soon as a team member touches the gate to the pen of horses. Each team has six minutes to "brand" a calf, pen a yearling, tie down the other yearling, and load the roping steer in a trailer that is parked in the arena. These events can be completed in any order and in any way without roughing the livestock. When all four tasks are complete, the team will gather their "tools" and time stops when all four members are mounted and in a designated circle at one end of the arena. We will bring the 4 fastest times back for a short round!!!

Entry forms and fees must be received by June 30, 2016.

We will be accepting 20 teams, if entering twice, two members of the original team must be changed.
\$250 per team entry fee.
(1/3 will be held for stock)

The Ranch Rodeo will start promptly at 10:00 a.m.

No roughing of livestock will be tolerated or allowed. The judge's will have the final decision!

\$500.00 added money! A big thank you Brad Morehouse and all of the folks at Laramie GM Auto Center for their generous donation!!!
